

Master of Arts in Biblical Studies

Dr. Thomas A. Halstead, Chairperson

The Master of Arts in Biblical Studies (MABS) provides Bible training to men and women at the graduate level. The content of the program is biblical-theological in nature and emphasizes both proper interpretation and practical application of Scripture. The lectures, reading, and homework assignments can be practically implemented in each student's life and ministry immediately. Each course the student takes will enhance his/her ministry and personal walk with the Lord. The MABS degree is designed to help people study, explain, and apply Scripture more effectively in their own lives and in their churches.

Program Distinctive

The MABS is designed for missionaries, teachers, school administrators, or lay people who are actively involved in ministry. This modular based program enables students to earn a graduate degree in approximately 2-6 summers depending on their own schedules and commitments. This allows each student to pursue in-depth Bible training in biblical studies while continuing in his or her current ministry or occupation.

Program Length

Modular courses are offered the second, third, and fourth weeks of July each year. Up to three weeks of classes can be taken each summer allowing students to complete their on campus classroom work in 2-6 summers (not including independent study classes and thesis). Each week consists of two 2 unit classes. Each of our modular courses are divided into three parts: pre-session assignments, in-session lectures, and post-session assignments.

Independent Study

Independent Study courses must be completed before a student is able to graduate. Students have 4 months from the time of enrollment in an Independent Study course to complete all assignments under the supervision of a faculty member.

Full/Part Time Student Status

Any student enrolled in 8 units or more is considered to be "full-time" status for the Master of Arts in Biblical Studies. A student must be enrolled in at least 4 units of graduate level classes to achieve "part-time" status.

Extension Trips

Another unique feature of this program is the opportunity for students to study abroad in Israel, Turkey and Greece, taking courses that can be applied to their MABS degree. Details on this opportunity can be obtained by calling the MABS Administrative Assistant.

Course Registration

Registration for MABS will be available online in February to each student who has already been accepted into the MABS program. In addition to registering for specific courses, registration allows the student to make housing and meal plan reservations. Housing and meal plans are available for the student, his or her spouse, and children.

Remote Library Access

In order to facilitate research from off-campus locations, the college library provides remote access to many of The Master's College's online databases. This access allows students to search the available databases from any computer off campus that has an internet connection. Currently The Master's College has over 20 databases available with remote access. Students are welcome to contact the library directly if they need help with their research.

Degree Requirements

All MABS students are required to earn a 3.0 GPA or better for each term they are enrolled in the program. The MABS includes 24 core units which are taken on campus usually over two to four years. The core units consist of the following courses:

BTS500	Introduction to Biblical Studies
BTS501	Hermeneutics
BTS511	Creation and Covenant
BTS512	History of the Covenant People
BTS513	Prophecy and Prophets in Context
BTS515	Worship and Wisdom
BTS521	Historical Background of the N.T.
BTS522	Life, Ministry and Teaching of Christ
BTS523	Life, Ministry and Theology of Paul
BTS524	General Epistles and Revelation
BTS571	Contemporary Issues in Theology
BTS572	Seminar in Applied Biblical Studies

In addition to these core classes 15 additional units will be taken in practicum and elective courses for a total of 39 units required for graduation.

Prerequisite Requirements

It is highly recommended that a student's undergraduate program be strong in a liberal arts emphasis, including courses in literature, history, and philosophy. Their Bachelor's degree must be from an accredited college or university (official transcript required). They must have completed their baccalaureate program with a cumulative grade point average (CUM GPA) of 3.0 or above on a 4.0 scale for all undergraduate work. While students will not be required to have completed an undergraduate major in Biblical Studies, they will be required to demonstrate a threshold level of biblical and theological knowledge in order to be admitted to the program. This requirement can be satisfied by either of the following:

- Complete 24 semester units of undergraduate coursework in biblical studies with a GPA of at least 3.0 that includes at least 6 units of New Testament (N.T.), 6 units of Old Testament (O.T.), and 6 units of Christian Theology.
- Complete a three-part comprehensive entrance examination in O.T., N.T., and Christian Theology to certify a level of theological knowledge necessary for graduate study. One must earn at least a 70% on the exam to pass.

Guidelines for 24 Units

1. The 24 semester units of undergraduate coursework in biblical studies with a GPA of at least a 3.0 required as a prerequisite to the MABS program must be from a school accredited by an accreditation service accepted by The Master's College Registrar's Office.
2. There are certain schools which are unaccredited, but are accepted by special agreement by the Registrar. These schools will also be accepted for prerequisite units by the Registrar's Office.
3. Prerequisite units taken at schools that are not accepted by the Registrar's Office will not be accepted. Instead, the student should take the MABS Entrance Exam.

Advanced Standing

Any graduate from TMC's undergraduate Biblical Studies major program who has earned at least 36 units of Bible will be allowed a maximum of 6 units of advanced standing in the program. Students from other accredited institutions with at least 36 units in Bible may also apply for Advanced Standing. Advanced Standing is not guaranteed, but will be decided on an individual basis at the discretion of the Chairman of the Biblical Studies Department. Students awarded "Advanced Standing" will be waived from 6 units of electives, therefore only requiring 33 units to graduate with a Master of Arts in Biblical Studies.

Transfer Credit Policy

Students transferring credits from The Master's Seminary will be allowed a maximum of 20 credits to transfer for courses with goals and objectives that correspond with the overall goals of the MABS program. A student transferring from another graduate program will be allowed credit for a maximum of 6 credits for courses that correspond to those offered in the MABS program. Decisions regarding advanced standing and transfer credits will be made by the Chairman of the Biblical Studies Department in consultation with the Registrar.
