## ENROLLMENT OPTIONS

The Master's College's online courses are fully accredited by the Western Association of Schools and Colleges and can be taken for baccalaureate level credit or audited. The Master's College uses a semester system of enrollment so each unit is worth 1 semester credit hour. Online courses typically are worth 3 semester units.

Courses taken for credit are graded by the instructors and are transferrable to The Master's College and other institutions.

Audit students do not receive credit or grades for taking the course but still benefit from the same course materials and class discussions. Many find auditing a great supplement to their personal Bible study or educational enrichment. Applicants for audit courses do not need to submit Official Transcripts as part of their Application.

## COST

Credit: \$250 per unit (\$750 per 3 unit course)    Audit: \$35 per unit (\$105 per 3 unit course)
