

MASTER OF BUSINESS ADMINISTRATION

THE MASTER'S COLLEGE | ONLINE DEGREE PROGRAM

Pending approval by the WASC Senior College & University Commission (WSCUC), The Master's College (TMC) plans to offer a Master's of Business Administration in an online format beginning in November 2015. The focus of this program is to provide graduate-level instruction to equip individuals to work effectively in a broad range of business environments. It is the goal of TMC's online MBA program to develop students' ability to:

- Conduct quantitative analyses in of complex business situations.
- Strategically solve complex business problems.
- Integrate Scripture into the decision making process.
- Communicate at an advanced level in a variety of verbal and written formats, and a range of business-related situations.
- Apply high level business concepts to real life business situations.

Program Entrance Requirements

In order to be admitted to TMC's online MBA program an individual must have completed as Bachelor's Degree at an accredited college or university with a cumulative grade point average (GPA) of at least a 2.75.

In addition, prior to beginning MBA coursework, the student must complete a baccalaureate-level course with at least a "C" grade (2.0) in each of the following subjects:

- An Introductory Biblical Studies Course
- ECN200 Macroeconomics
- ECN210 Microeconomics
- MGT422 Business Strategy

If the student has not taken these courses during their undergraduate coursework, they may be taken through TMC online.

Format & Schedule

All required courses are taught in an online format during two 8-week sessions over three semesters each year. This schedule enables students to qualify for federal financial aid

Students taking one course per block are able to complete the major coursework in 24 months. By taking more than one course per block, the program can be completed in as little as 12 months.

Non-Bible GE and elective courses can be taken prior to, concurrent with, or subsequent to completion of the major coursework.

TMC Online courses contain a variety of proven online instructional approaches including brief video lectures, topical videos from the Internet or other resources, interactive exercises & lessons. In addition, students will engage each other and the instructor through online discussion forums, chat and video conferencing sessions, and instant messaging. Student assessments will include online quizzes and exams, written papers, online speeches, role-plays, and presentations, depending on the program.
