The Master’s College is now offering a Master’s of Business Administration in an online format beginning in November 2015. The focus of this program is to provide graduate-level instruction to equip individuals to work effectively in a broad range of business environments. It is the goal of TMC’s online MBA program to develop students’ ability to:

- Conduct quantitative analyses in of complex business situations.
- Strategically solve complex business problems.
- Integrate Scripture into the decision making process.
- Communicate at an advanced level in a variety of verbal and written formats, and a range of business-related situations.
- Apply high level business concepts to real life business situations.

**Program Entrance Requirements**

In order to be admitted to TMC’s online MBA program an individual must have completed as Bachelor’s Degree at an accredited college or university with a cumulative grade point average (GPA) of at least a 2.75.

In addition, prior to beginning MBA coursework, the student must complete a baccalaureate-level course with at least a “C” grade (2.0) in each of the following subjects:

- An Introductory Biblical Studies Course
- ECN200 Macroeconomics
- ECN210 Microeconomics
- MGT422 Business Strategy

If the student has not taken these courses during their undergraduate coursework, they may be taken through TMC online.

**Format & Schedule**

All required courses are taught in an online format during two 8-week sessions over three semesters each year. This schedule enables students to qualify for federal financial aid.

Students taking one course per block are able to complete the major coursework in 24 months. By taking more than one course per block, the program can be completed in as little as 12 months.

TMC Online courses contain a variety of proven online instructional approaches including brief video lectures, topical videos from the Internet or other resources, interactive exercises & lessons. In addition, students will engage each other and the instructor through online discussion forums, chat and video conferencing sessions, and instant messaging. Student assessments will include online quizzes and exams, written papers, online speeches, role-plays, and presentations, depending on the program.

Major Course Descriptions

BUS510 Enterprise and Public Policy (3)
A comprehensive study of the relationship between
government policy, economic trends, and business
performance. This course includes an overview of the
contents and structure of TMC’s entire online MBA program,
and must be taken as the first course in the program.

BUS520 Business Law (3)
The course is a study of the procedures and organization of
the United States legal system. The course will also provide
an in-depth study of tort liability, contracts, and common law.

MKT561 Marketing Strategy (3)
An introduction to foundational marketing concepts followed
by a study of advanced and cutting edge techniques.

INB511 International Business (3)
A study of the current state of international business, which
will include an advanced analysis of the economic and
cultural environments present in today’s global marketplace.

ACC520 Financial Accounting (3)*
Students learn to prepare and analyze financial statements.
Students apply these skills to corporate decision making
and evaluation processes.

ACC510 Managerial Accounting (3)
The course covers the application of basic and advanced
accounting methods for the purpose of informing
management decisions.
Prerequisite: Financial Accounting

FIN540 Corporate Finance (3)
A comprehensive study of financial forces on the firm.
Students learn advanced financial analysis techniques for
use in management decision.
Prerequisite: Managerial Accounting

BUS530 Statistics (3)
Students learn to conduct and interpret statistical analyses
of common business problems using ANOVA, single and
multiple regression, probability, and other techniques.

MGT550 Operations Management (3)
Students learn operational and decision making methods
to quantitatively optimize business processes.
Prerequisite: Statistics

MIS510 IT Management (3)
A critical overview of the design, application, and
assessment of information systems. Students also learn
effective practices for the management of information
technology specialists.

MGT510 Organizational Behavior (3)
A study of current organizational design and management
theory and practices. Students will apply these concepts to
complex real life organizational scenarios.

MGT590 Leadership (3)**
The course is a study of the knowledge, skills, and
exceptional traits possessed by successful leaders. This
course includes a capstone experience in which the
students apply what they have learned to the study of
business cases and simulations of business situations.
This course must be taken as the last course in the
TMC Online MBA program.

*The following business prerequisites must be taken before course 4: ECN200, ECN210, MGT422

**Bible prerequisite must be taken before course 12
