

## **What is the GO Team Leader?**

A Global Outreach team leader is a student on Student Care Leadership who has a passion for reaching the nations with the Gospel of Jesus Christ and is capable of being trained to lead a team of peers to participate in ministry in a cross-cultural setting.

## **How do I know if being a GO Team Leader is right for me?**

The GO Team Leader is one who is trained to lead a diverse team of peers spiritually *and* administratively in a cross-cultural context. The leader should be humble, thoughtful, cautious, dependent on Jesus, decisive, adventurous, and able to lead without constant supervision. The leader should be an involved participant in a local church and have a burden to reach the lost.

## **What are the Team Leaders' responsibilities?**

Go leaders are missions-mobilizers on campus: encouraging students to pray for missions, interacting with visiting missionaries, and promoting what the Lord is doing around the world. The leader works together with the Director of Global Outreach and a co-leader to plan a GO trip. The leader is responsible for the recruitment, spiritual discipleship, administrative direction, and physical well-being of the team both in the preparation for the trip and the time on the field.

## **What meetings are required?**

1. Student Leadership Retreat and WOW in August.
2. Engage Week
3. Student Leadership Meetings
4. Leaders' training once a month during breakfast in Fall and once a week during dinner in Spring.
5. Help with Global Mobilization Week the first week in November.
6. Global Outreach class—BMS 341: attend weekly class and lead team-time during the last hour (Spring).
7. GO trip of 4-8 weeks in duration.

## **With the responsibilities asked of a GO Team Leader, how many estimated hours per week will this commitment require?**

In the Fall, you can plan on about 2 hours per week for trip prep. In the Spring, you can plan on 8-10 hours per week, including the time you spend fulfilling assignments for the GO class—BMS 341.

## **How do I become a GO Team Leader?**

1. Acquire, complete, and return the Student Leadership Application.
2. Sign up for an interview time in King Hall.
3. Be approved for leadership by the Application Committee.

## **Is there any monetary compensation?**

Not as a job, but leaders will receive help with a portion of the support needed for a trip if there is difficulty.

## **What if I still have more questions?**
