

Requesting an IRS Tax Transcript

What is Verification? When you submit the FAFSA you may be selected for a process called "verification" by the Department of Education. This means that the Office of Financial Aid is required by the Department of Education to determine the accuracy of the information you provided through your FAFSA. If you are required for verification you must complete the IRS Data Retrieval Feature on the FAFSA to comply with federal guidelines before any financial aid can be awarded. To complete the IRS Data Retrieval, please follow this [LINK](#).

Should you request an IRS Tax Transcript? If you or your parent cannot (or choose not to) complete the IRS Data Retrieval then you may request an IRS Tax Transcript (after you complete your taxes) and submit it to the Office of Financial Aid. You must request an IRS Tax Transcript if:

- You (or your parent) did not use the IRS Data Retrieval process either at initial FAFSA filing or through subsequent corrections.
- You changed information after using the IRS Data Retrieval process.
- Your tax status is "Married, filing separately."
- Your parents filed separate tax returns.
- You (or your parents) had a change in marital status after the end of the tax year on December 31.
- You (or your parents) filed an amended tax return.
- You filed taxes outside the U.S.

How do you request an IRS Tax Transcript?

Step 1:

- On the [IRS website \(www.irs.gov\)](http://www.irs.gov), choose "**Get Your Tax Record**" under the Tools menu bar (*Figure 1-1*).
