

THE MASTER'S
UNIVERSITY

TMU COVID-19 Certification

The safety of students, faculty and staff is priority, to prevent the spread of the coronavirus and reduce the potential risk of exposure to those on campus, I certify that

- a. I have received a negative COVID-19 test result within the past five days of arriving on campus (copy attached) OR I will take a Rapid Antigen test upon arrival at campus¹; OR, have undergone a physical health screening with my athletic trainer, and
- b. I have not been in close contact with anyone who was experiencing COVID-19 symptoms within the past 10 days.

COVID-19 symptoms include:

- | | |
|------------------------------|---|
| ~ Fever of > 100.4 | ~ Chills |
| ~ New Cough | ~ Shortness of breath or difficulty breathing |
| ~ New loss of taste or smell | ~ New Headache |
| ~ Nausea, diarrhea, vomiting | |

The [CDC recommends](#) all students receive an influenza (flu) vaccination prior to returning to campus.

By signing below I certify that the foregoing is true and correct.

I also certify that I will download the #CampusClear app and perform a daily symptom check before arriving on lower campus.

¹ If a student does not produce a negative test result, and is unwilling to submit to the Rapid Antigen test upon arrival (or the Antigen test produces a positive result), then such student will need to quarantine in accordance with applicable regulations. Please contact the Health Center (healthassistant@masters.edu) with any questions regarding the Antigen testing or quarantine arrangements.
