

SCHOOL *of* MUSIC

Video Audition Requirements

Prepare appropriate selections per the requirements listed for each instrument on our Prospective Student Page. You may wish to consult a teacher to help make a selection that best demonstrates your musical ability.

Please note, you are NOT required to perform scales or sight-read for this video but instead, be prepared to take a Music Fundamentals Exam and a scales and sight-reading assessment before classes begin in the fall.

If you require an accompanist (vocalists only), you may use a track to accompany you.

Please upload your video to YouTube (you may publish it as unlisted) or Google Drive and email the link to Jennifer Ehlen at jwehlen@masters.edu along with your SOM application.

Your video will be evaluated by the appropriate music faculty and based upon it; you may be considered to receive music scholarship (funds permitting.)
