SUBJECT: Graduation Rates/Outcome Measures

Graduation rates and outcome measures are critical indicators of a successful institution of higher education, as higher rates often reflect greater student satisfaction. The Master's University (TMU) consistently achieves results that are equal to or higher than those of its peers. Attached are the percentage results from the past seven years.

Six-Year Graduation Rates:

Year	2017	2018	2019	2020	2021	2022	2023
TMU	55	60	70	64	72	73	68
WASC	59	59	61	59	62	63	63
National Average	50	51	51	51	52	52	52

Outcome Measures:

Year	2017	2018	2019	2020	2021	2022	2023
TMU	60	53	55	53	53	66	64
WASC	66	64	66	66	66	66	68
National Average	54	54	55	56	56	56	56

Outcome Measures for Freshmen:

Year	2017	2018	2019	2020	2021	2022	2023
Awarded	78	64	60	61	63	68	68
Still Enrolled	1	0	7	1	0	0	1
Transferred	7	7	8	7	5	7	6
Dropped Out	14	29	25	31	32	25	26

Outcome Measures for Transfers:

Year	2017	2018	2019	2020	2021	2022	2023
Awarded	63	55	40	40	41	72	64
Still Enrolled	3	0	3	1	0	0	1
Transferred	8	4	4	9	5	9	8
Dropped Out	26	41	53	50	54	19	27

The data presented highlights TMU's strong performance in graduation rates and outcome measures over the past seven years. These results underscore the institution's commitment to student success and satisfaction, positioning TMU favorably compared to its peers. Continuous monitoring and improvement of these metrics are essential for maintaining high standards and achieving institutional goals.
