

CLASS VISIT SCHEDULE

STUDENTS: We are so excited for you to see academics for The Master at TMU! **Check your lanyard for the class that you've picked.** Please be respectful of class discussion and do not participate unless asked to. Feel free to chat with the prof after class! They'd love to talk with you about academics here at The Master's University!

PARENTS: We have very limited class space, so we are only having prospective students visit classes! We've planned a few things just for you instead, so take a look at your schedule!

10:35AM
