BIBLICAL MANDATES

developing wisdom. establishing convictions. producing leaders.

The Master's University is committed to developing its students into people who obey God because they are personally accountable to Him and His Word rather than to man and his arbitrary rules. Our policies regarding student conduct are divided into two categories, Biblical Mandates and University Policies. Biblical Mandates are specific commands from God's Word which apply to a believer's life. University Policies are requirements designed by the University administration to facilitate an educational environment that honors the Lord.

As an academic and spiritual community, The Master's University requires students to adhere to both Biblical Mandates and University Policies while the semester is in session or while they are representing the University in an official capacity (missions trips, concerts, sporting events, etc.). This includes Thanksgiving break, Winterim, Easter break, spring break, and post sessions.

The student, by virtue of his or her signature on the Application for Admission, agrees to live within the framework of the standards of the University both on and off campus while each semester is in session or while participating in any University-sponsored program. While a student's personal convictions may differ somewhat from these standards, their choice to become a part of The Master's University community implies a commitment to willingly abide by these policies. Students on Christmas or summer break are expected to honor the Lord by living a life submitted to biblical mandates and are encouraged to honor the authority of parents, church leaders, and employers in regard to matters of personal preference.

CAMPUS MAIL

basic campus mail information.

Mail Center personnel are eager to serve the faculty, staff and students of The Master's University. Although the Mail Center is not a branch of the U.S. Government, we are still governed by U.S. Postal Service regulations. Therefore, the Mail Center must observe federal requirements in handling and processing the mail. We have also instituted other policies in order to maximize efficiency and provide a high level of service. Visit our website at masters.edu/mail-center.

mail center faqs.

What is my student address?

All incoming mail and packages for students at The Master's University should be addressed:

STUDENT'S NAME _____ TMU # _____

THE MASTER'S UNIVERSITY

21726 PLACERITA CANYON ROAD

SANTA CLARITA, CALIFORNIA 91321-1200

What is my TMU # ?

Your TMU # is your mailbox number. Mailbox numbers are emailed during WOW (provided the student has completed the registration process). You may access your mailbox combination, mailbox number, and dorm information on TMU Central under "Campus Services", then select "Mail Center". Your mailbox number is very important. Please notify everyone who will be sending you mail to include your mailbox number on all your mail. Mail received without your mailbox number will be delayed.

What is the best way to ship personal belongings from home?

We recommend using UPS for your larger packages.

Please keep packages under 50 lbs for ease in carrying them to the dorms.

Packages should be corrugated with cushioning around items except for clothing and books.

Packages should be firmly packed and taped with reinforced packing tape. Do not use rope, twine, masking tape or duct tape on packages.

The Master's University cannot assume responsibility for items stolen or damaged during shipment. Therefore, make sure all of your packages are insured.

Refer to ups.com for more packaging guidelines.

If packages are not prepared correctly, UPS will not honor any claims against damage.

A package slip will be placed in your mailbox the day a package arrives. Your package may be picked up in the Campus Mail Center as soon as you arrive; however, you may want to wait until you have checked in and have your room key so you don't have to carry them around.

STUDENT LIFE

campus life.

Campus life exists to serve the TMU campus for their joy in Christ. We invest in our campus through intentional communication, purposeful events and joyful service to, through, and because of our great Savior Jesus Christ. The campus life team is a student-led extension of the Office of Campus Life and its purpose is to facilitate events, activities, and traditions to promote community and fellowship with one another.

chapel.

Chapel is the central gathering time for the proclamation of God's Word to our campus community. While primary importance is placed on the teaching of the Scriptures, we compliment this through the worship of our God in song. We meet for chapel on Monday, Wednesday and Friday, 9:10am-10:20am.

intramurals.

Our goal is to provide sport tournaments and seasons that connect you to other students, provide a fun competitive outlet, and create memorable experiences with your fellow Mustangs. Past sports have included basketball, volleyball, spikeball, disc golf, flag football, softball, dodgeball, ultimate frisbee, and soccer.

global outreach.

The Office of Global Outreach seeks to glorify God through the promotion of His work around the world by providing students with a practical awareness of missions and with opportunities to minister to the spiritual and physical needs of the world. Service opportunities include global outreach (go) teams and engage day.
